Licensing Assurance:

With respect to patent claims that are essential patent claims or which may become essential patent claims, our licensing position is as follows (check the appropriate boxes below):

A license to such essential patent claims will be granted without compensation to all applicants with reasonable terms and conditions that are demonstrably free of unfair discrimination.

(Optional) A sample of such a license or material licensing terms similar to what would be offered is attached to this letter.

(Optional) That such license is offered under a condition of reciprocity.

A license to such essential patent claims will be granted to all applicants under reasonable terms and conditions that are demonstrably free of unfair discrimination.

(Optional) These reasonable rates will not exceed \_\_\_\_\_ (e.g. a percent of product price or sales, a flat fee, per unit, other).

(Optional) A sample of such a license or material licensing terms similar to what would be offered is attached to this letter.

(Optional) That such license is offered under a condition of reciprocity.

We further assure NEMA that the foregoing assurance will be brought to the attention of any future assignees or transferees of the essential patent claims, and this assurance shall not be circumvented through the sale or transfer of patents.

Our licensing assurance is (check one box):

irrevocable;

subject to a reservation that it may be withdrawn when it is established that there are commercially and technically feasible non-infringing alternatives to creating a compliant implementation of the ANSI Standard.
