

## **FAQs: Transformers**

### 1. [What is EUSERC?](#)

**What is EUSERC?** EUSERC: Electric Utilities Service Entrance Requirements Committee. EUSERC is a group of primarily West Coast Utilities, which meet regularly to develop service entrance specifications electrical products. For more you can contact Joe Andre, NEMA West Coast Field Rep, at 425/415-1781. NEMA's website provides a good overview of other industry groups and acronyms.
