In accordance with NEMA’s Standardization Policies and Procedures (“SPP”) Section 3.9\(^1\), the undersigned notifies NEMA that the undersigned or an Affiliate [does][does not]\(^2\) own, control or have the ability to license one or more patents or published patent applications containing one or more Essential Patent Claims with respect to a NEMA Standard or proposed NEMA Standard, and the undersigned or its Affiliate will grant a license to practice and use such Essential Patent Claims to applicants desiring to utilize the license for the purpose of implementing the NEMA Standard or proposed NEMA Standard as our licensing position is described below.

The undersigned identifies the following NEMA Standard or proposed NEMA Standard with respect to which it or an Affiliate [does][does not] own, control, or have the ability to license patents or published patent applications containing one or more Essential Patent Claims:

Title of (Proposed) NEMA Standard (including NEMA Identification Number):

Part or Section of this NEMA Standard that includes the use of an Essential Patent Claim:

Patent Reg’n/Application Number(s) containing an Essential Patent Claim:

Licensing Assurance:

With respect to patent claims that are Essential Patent Claims or which may become Essential Patent Claims, our licensing position is as follows (check the appropriate boxes below):

□ 1. A license to such Essential Patent Claims will be granted without compensation to all applicants with reasonable terms and conditions that are demonstrably free of unfair discrimination.

□ (Optional) A sample of such a license or material licensing terms similar to what would be offered is attached to this letter.

□ (Optional) That such license is offered under a condition of reciprocity.

□ 2. A license to such Essential Patent Claims will be granted to all applicants under reasonable terms and conditions that are demonstrably free of unfair discrimination.

---

\(^1\) Terms highlighted in **bold** are defined in Section 3.9 of the NEMA SPP.

\(^2\) If disclosing that you do not own, control, or have the ability to license Essential Patent Claims, no Licensing Assurance is required; however the Contact and Signature provisions of this letter apply.
☐ (Optional) These reasonable rates will not exceed _________________
    (e.g. a percent of product price or sales, a flat fee, per unit, other).

☐ (Optional) A sample of such a license or material licensing terms similar to what
would be offered is attached to this letter.

☐ (Optional) That such license is offered under a condition of reciprocity.

3. We will not enforce any present or future Essential Patent Claims against any person or
entity making, using, selling, offering to sell, importing, distributing, or implementing a compliant
implementation of the NEMA Standard.

4. We are unwilling or unable to grant licenses according to the provisions of either 1. or 2.
above or to agree that it will not enforce its Essential Patent Claims as described in 3. above. [Note:
this option may only be selected if this Disclosure is received by NEMA prior to the distribution of a letter
ballot for approval of a NEMA Standard proposed for adoption, revision or reaffirmation].

We further assure NEMA that the foregoing assurance will be brought to the attention of any
future assignees or transferees of the Essential Patent Claims, that the assurance will be included in
any documents transferring ownership of patents subject to the assurance together with provisions
sufficient to ensure that the commitments in the assurance are binding on the transferee, and that the
transferee will similarly include appropriate provisions in the event of future transfers with the goal of
binding each successor-in-interest and shall not be circumvented through the sale or transfer of patents.
Our assurance will also indicate that it is intended to be binding on successors-in-interest regardless of
whether such provisions are included in the relevant transfer documents.

Our licensing assurance is (check one box):

☐ irrevocable;

☐ subject to a reservation that it may be withdrawn when it is established that there are
commercially and technically feasible non-infringing alternatives to creating a compliant implementation of
the NEMA Standard.
