

Implementation of the National Electrical Code

NEMA Field Representatives

January 1, 2018

State	Adoption By	City	NEC Edition Plus Adoption / Implementation Date	IRC Edition	IRC Part VIII	Promulgating Agency	Date Last Change Made to Report	Notes
Alabama	State		2014 Adopted - 5/31/2016 Implemented - 7/1/2016	2015	Yes	State of Alabama Building Commission / Alabama Energy & Residential Codes Board	7/1/2017	Alabama does not have statewide adoption of the NEC except for State Buildings, Schools, Hotels, & Motion Picture Studios. The 2015 IRC goes into effect on October 1, 2016 and applies statewide to residential construction only.
Alaska	State		2014 Adopted - 3/6/2016 Implemented - 3/6/2016	No	No	The Office of the State Fire Marshal adopts the International Building Code, International Fire Code, International Mechanical Code,. The State legislature adopts the Uniform Plumbing Code and the National Electrical Code.	7/1/2017	There is little enforcement as there are only 3 inspectors covering the entire state outside of Anchorage, Fairbanks, and Juneau. The state Division of Labor Standards and Safety enforces the electrical codes; The Mechanical Inspection Section has jurisdiction over the electrical inspection and adoption process. The electrical code may be found HERE: http://touchngo.com/lglcntr/akstats/AAC/Title08/Chapter070.htm
Arizona	Local Jurisdiction		No State Adoption: See select jurisdictions below			N/A	7/1/2017	Not adopted by the state. Most major jurisdictions including Phoenix and Tucson communities are enforcing the 2011 NEC
Arkansas	State		2017 Adopted - 09/19/2017 Implemented- 1/1/2018	2000		Arkansas Department of Labor, 10421 West Markham, Little Rock, Arkansas 72205	12/12/2017	The State of Arkansas Electrical Board voted to adopt the 2017 NEC with amendment. 2017 NEC Effective date 1/1/2018.
California	State		The 2014 NEC was adopted in January 2016 and is effective as of January 1, 2017	2015 IRC is effective as of January 1, 2017 (structural only)	The 2014 NEC is used for all electrical requirements; CA Title 24 Part 6, 2016 edition is used for energy.	The California Building Standards Commission adopts codes. Several State agencies have input and can recommend modifications only to the portion of the codes covered by that agency.	7/1/2017	The State adopts all construction codes through the California Building Standards Commission (CBSC). Input is received from several state agencies with involvement in construction: Division of the State Architect (DSA - schools & accessibility), Office of Statewide Health Planning and Development (OSHPD - hospitals & clinics), Housing and Community Development (HCD - all residential) and the State Fire Marshal (SFM - broad range of occupancies). Each of these agencies might change the code only for those structures under its jurisdiction. Local jurisdictions enforce the adopted codes and may not alter the California codes without approval from the CBSC based on local geographic, climactic, or geologic conditions. http://www.bsc.ca.gov/default.htm
Colorado	State		2017 Adopted - 3/1/17 Implemented - 7/1/17	Local Adoption	Not Adopted	Colorado Electrical Board 1560 Broadway, Suite 1500, Denver, CO 80202	7/1/2017	The State of Colorado Adopted the 2017 NEC without amendments with an effective date of July 1, 2017. However, local jurisdictions have up to an year to adopt.

State	Adoption By	City	NEC Edition Plus Adoption / Implementation Date	IRC Edition	IRC Part VIII	Promulgating Agency	Date Last Change Made to Report	Notes
Connecticut	State		2014 Adopted - 8/10/16 Implemented - 10/1/16	2012	Yes	DAS-Office of the State Building Inspector, 165 Capitol Avenue, Room 265 Hartford, CT 06106, Telephone: 860-713-5900 Fax: 860-713-7410	76/1/2017	On August 10, 2016, the Connecticut Codes and Standards Committee voted to accept the recommendations for acceptance of the Proposed 2016 State Building Codes and the 2016 State Fire Safety Code. This will send the two documents to the Legislative Regulatory Review and Public Safety and Security Committee for final acceptance and promulgation. The CT will finish the review of the 2015 I codes and 2017 NEC in 2017.

The 2017 edition of the NEC is expected to go into effect in late 2017.
Texas	State Adoption - But Local Jurisdictions May Amend		2017 Adopted - 9/15/17 Implemented - 9/15/17	2015	Yes, Locally	Texas Department of Licensing & Regulation P.O. Box 12157 Austin, Texas 78711	9/1/2017	The Texas Electrical Safety and Licensing Act requires the Texas Department of Licensing and Regulation (TDLR) to adopt the revised National Electrical Code (NEC) as the electrical code for the state of Texas. The 2017 NEC will be the "minimum standard" for all electrical work (covered under state law) in Texas when adopted September 15, 2017. Chapter 1305.201 of the Act provides municipalities the specific authority to make local amendments to the 2017 NEC; however, any proposal to amend these standards should be done in accordance with NEC 90.4 which stipulates that "the authority having jurisdiction may waive specific requirements in this Code or permit alternative methods where it is assured that equivalent objectives can be achieved by establishing and maintaining effective safety."

State	Adoption By	City	NEC Edition Plus Adoption / Implementation Date	IRC Edition	IRC Part VIII	Promulgating Agency	Date Last Change Made to Report	Notes
Utah	State	All	2014 NEC - adopted 6/2017.	Yes	Utah has adopted the 2015 edition of the IRC and uses its electrical provisions.	Codes are adopted by the Utah legislature, with the Electrical Advisory Committee making recommendations for adoption and amendments to the Uniform Building Code Commission. The UBCC in turn holds hearings and makes its recommendations to the Legislature. This is a change instituted only as of 1/1/2010. Prior to this date, the Commission had authority to adopt and implement codes.	7/1/2017	The State has adopted the 2014 NEC and the 2015 International Residential Code (IRC) in its entirety, including the electrical chapters. When the Legislature adopted the 2014 NEC and 2015 I-codes In March 2016, they also added a provision that the residential codes would be on a 6-year cycle from now on. The Utah Building Code web site is http://www.dopl.utah.gov/programs/ubc/ .
Vermont	State		2017 NEC Adopted - 10/1/2017	Yes	No	Department of Public Safety Division of Fire Safety 1311 U.S. Route 302 Suite 600 Barre, VT 05641-2351 802-479-7561	9/26/2017	The Vermont Electrical Code and Amendments can be viewed online at: http://firesafety.vermont.gov/sites/firesafety/files/files/rules/dfs_rules_electrical_2017_Annontated.pdf
Virginia	State Adoption		2011 Adopted - 3/14/14 Implemented - 7/14/14	2012	Yes	VA Board of Housing and Community Development Main Street Centre • 600 East Main Street, Suite 300 • Richmond, VA 23219 • (804) 371-7000	7/1/2017	The 2011 NEC is included in the adoption of the 2012 Virginia Uniform Building Code. The code adoption is shown only as NFPA 70 in Chapter 27 of the Virginia UBC, with the NEC edition shown in the front of the book under administrative. The 2014 NEC and 2015 IRC is expected to go into effect on March 1, 2018.
Washington	State	Cities might have separate electrical ordinances but must be at least as stringent as the State.	2017 NEC, effective 7/1/17	The 2015 Edition of the IRC is adopted throughout the State, effective July 1, 2016	The electrical (and plumbing) chapters of the IRC are not adopted. Electrical installations for all structures are governed by the State Electrical Code.	The State Department of Labor & Industries adopts and enforces the electrical code except in cities with their own electrical program. The State Building Code Council adopts all other construction codes.	7/1/2017	The electrical code is controlled by the State Department of Labor and Industries/Electrical Section. The State L&I has adopted the 2017 NEC, it is effective on July 1, 2017. http://www.lni.wa.gov/TradesLicensing/Electrical/default.asp http://www.sbcc.wa.gov/sbccindx.html
