

National Electrical Manufacturers Association Political Action Committee

PRIOR AUTHORIZATION FORM

YES! I authorize the National Electrical Manufacturers Association (NEMA) to solicit contributions to the NEMA PAC from my organization’s executive, administrative and professional personnel during the years for which I sign. I understand that NEMA will contact these personnel directly to solicit their contributions. This form can only be signed by a corporate employee approved to provide solicitation authorization.

Please sign for each year you wish to grant prior authorization.

2022: _____ **2025:** _____
2023: _____ **2026:** _____
2024: _____

I understand that federal regulations dictate that my company may grant permission to solicit its employees for contribution to one trade association’s federal PAC in the years for which approval is given.

The NEMA PAC is political in nature. I understand that I am free to sign or decline to sign the prior authorization form and will not be favor nor disadvantaged by reason of my decision not to contribute. Federal law requires NEMA to obtain the prior authorization of member companies to solicit contributions to NEMA PAC from its senior executives.

NEMA PAC contributions must be from personal funds only; corporate donations are not permitted under federal law.

I authorize NEMA PAC to communicate with me and/or others associated with my company as designated by me regarding PAC matters.
