

NEMA Market Development Coordinator Program Grant Success Agreement

I, _____, have applied for reimbursement of my travel expenses related to attending and participating in the _____ (date) _____ (meeting or event name) being held at _____ (location).

I acknowledge that the purpose of this funding is to allow me to attend and actively participate in this meeting. The purpose of my participation is to represent the interests of U.S. manufacturers in the development of global standards effecting the export and sale of advanced manufacturing equipment.

I agree to work with the National Electrical Manufacturers Association and its members to prepare adequately for the meeting by familiarizing myself with the issues to be addressed during the meeting and the processes and procedures of the meeting.

I undertake this work with the full support of my employer _____ and have included a letter attesting to this.
