

American National Standard

Approved June 8, 2018

Secretariat: ANSLG - National Electrical Manufacturers Association

For Electric Lamps--

Use of Protective Shields with Tungsten-Halogen Lamps— Cautionary Notice

Scope

This standard shows a cautionary notice applying to the use of protective shields with tungsten-halogen (T-H) lamps for which the lamp manufacturer requires shielding against shattering and ultraviolet (UV). Equivalent wording may be used.

(This language is not part of the American National Standard.)

This Standard is being maintained under the stabilized maintenance option. Proposals for modification or improvement of this Standard are welcome. They should be sent to the National Electrical Manufacturers Association, 1300 N 17th Street, Suite 900, Arlington, VA 22209 or sent via the NEMA website (<http://www.nema.org>).
